Minimum System Requirements

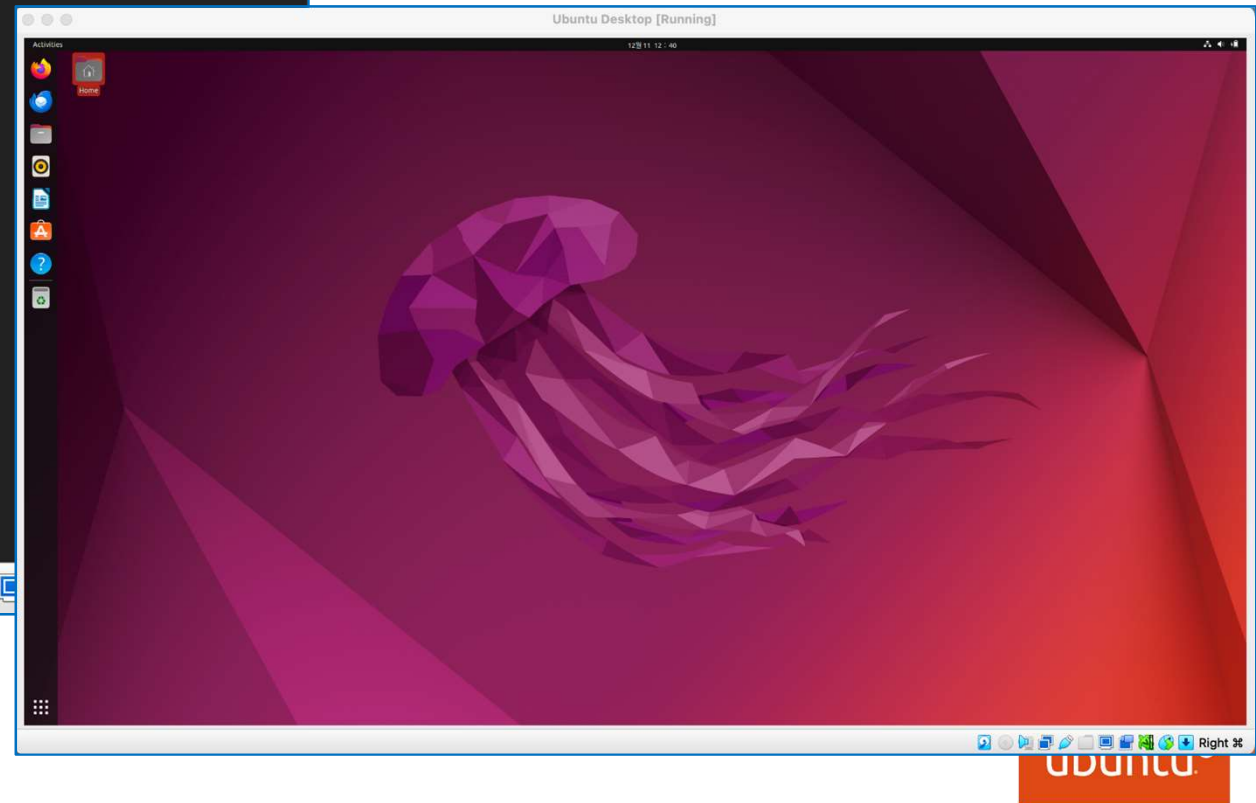

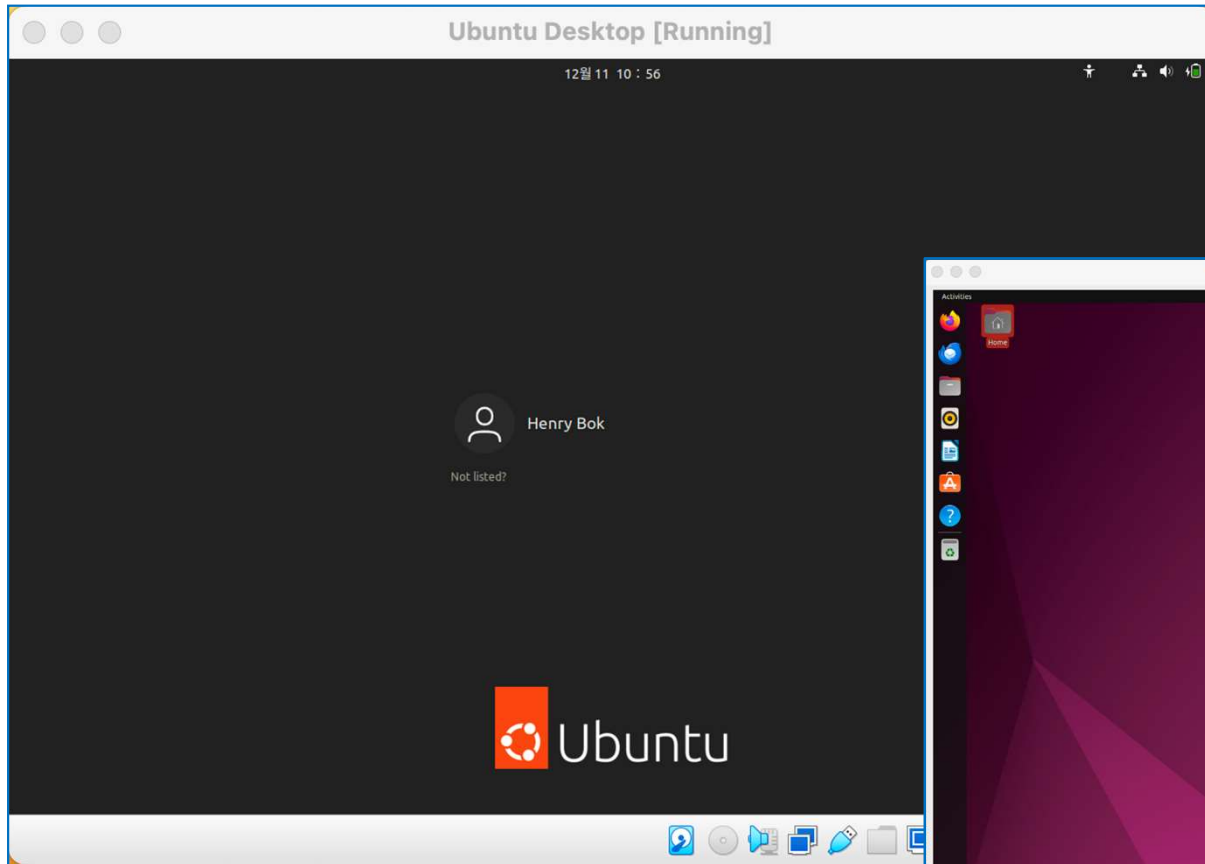

- 2 GHz dual-core processor
- 4 GiB of system memory (RAM)
- 25 GB of hard-drive space
- Video support capable of 1024 x 768 resolution
- Either a CD/DVD drive or a USB port for the installer media
- Audio support
- An Internet connection

32-bit versus 64-bit

- If your computer has a 64-bit processor, install the 64-bit version.
- If your computer is older, a netbook, or you do not know the type of processor in the computer, install the 32-bit version.
